

Section 1 Identification

 Product Name: **Inkee Doo 2™**

Chemicals: The precise composition of this product is proprietary information. A more complete disclosure will be provided to a physician in the event of a medical emergency.

SARA 313 Hazard: Not listed. All ingredients are TSCA listed.

SARA 311/312 Hazard: Not listed. All ingredients are TSCA listed.

Section 2 Hazardous Ingredients

Contains no hazardous ingredients.

Section 3 Physical Data

Boiling Point:	Above 400°F	Vapor Pressure:	< .1 mm Hg
Specific Gravity:	<1	Melting Point:	N/A
Solubility In Water:	Partial	Appearance and Color:	Clear, low viscosity liquid, mild citrus odor.
Evaporation Rate:	Less than 1 (n-butyl acetate=1)		

Section 4 Fire & Explosion Hazard Data

Flash Point & Method Used: Above 200°F (setaflash)

Flammable Limits: Not established.

 Extinguishing Media: CO₂, dry chemical, foam or water fog or fine spray.

Special Fire Fighting Procedures: Do not use direct water stream.

Unusual Fire & Explosion Hazards: None known.

Certified pH Level 8.25 pH of 1/10 wt/wt solution in soft water

Section 5 Reactivity Data

Stability: Stable

Conditions to Avoid (Materials to Avoid): Strong acids or bases. Oxidizing materials.

Hazardous Decomposition or Byproduct: Possibly aldehydes, ketones and organic acids.

Hazardous Polymerization: Will not occur.

Section 6 Health Hazard Data

Health Hazards: None known.

Routes of Entry: Inhalation, eyes, and skin contact.

Carcinogenicity: Not listed by NTP, IARC, OSHA.

Eye Contact: May cause slight eye irritation.

Skin Contact: May cause slight skin irritation on repeated or prolonged contact.

Ingestion: May cause injury if swallowed in large amounts.

Inhalation: Excessive breathing of spray mist may cause irritation.

Medical Conditions Generally Aggravated by exposure: Chronic skin contact may cause irritation and possible harm from absorption.

Emergency and First Aid Procedures

In Case of Eye Contact: Flush eyes with running water for at least 15 minutes. If irritation persists, obtain medical aid.

For Skin Contact: Wash with water. Remove contaminated clothing and wash before reuse.

If Swallowed: If swallowed in large amounts, do not induce vomiting. Call a physician.

Inhalation: For excessive breathing of spray mist, remove victim to fresh air. Consult a physician.

Section 7 Precautions for Safe Handling & Use

Release or Spill: Wear protective clothing. Contain the spill. Return to suitable container. Hold for disposal.

Waste Disposal Method: Dispose of in accordance with all existing local, state, and federal ordinances.

Precautions in Handling & Storage: Normal care in handling and storage. Keep out of reach of children.

Section 8 Control Measures

Respiratory Protection: None required for normal usage.

Ventilation: N/A

Protective Gloves: Impervious gloves.

Eye Protection: Safety glasses

Other Protective Clothing or Equipment: As required.

Work/Hygienic Practices: Avoid eye and skin contact and excessive breathing of spray mist. Wash thoroughly after handling.
