

Section 1 Identification

 Product Name: **Scorch•e•doo™**

Chemicals: The precise composition of this product is proprietary information. A more complete disclosure will be provided to a physician in the event of a medical emergency.

SARA 313 Hazard: None noted. All ingredients are TSCA listed.

SARA 311/312 Hazard: None noted. All ingredients are TSCA listed.

Section 2 Hazardous Ingredients

Hydrogen Peroxide

Section 3 Physical Data

Boiling Point:	212°F	Vapor Pressure:	Not determined.
Specific Gravity:	>1	Melting Point:	Below 32°F
Solubility In Water:	Complete	Appearance and Color:	Water clear, low viscosity liquid, no odor.
Evaporation Rate:	<1		

**Certified
pH Level**

N/A

 pH of 1/10 wt/wt solution
in soft water

Section 4 Fire & Explosion Hazard Data

Flash Point & Method Used: Will not burn.

Flammable Limits: Not established.

Extinguishing Media: Appropriate for the surrounding fire.

Special Fire Fighting Procedures: None

Unusual Fire & Explosion Hazards: Contamination will release oxygen that may increase the burning rate of flammability.

Section 5 Reactivity Data

Stability: Stable

Conditions to Avoid (Materials to Avoid): Contamination from any sources, strong reducing agents, iron.

Hazardous Decomposition or Byproduct: Decomposition will release oxygen.

Hazardous Polymerization: Will not occur.

Section 6 Health Hazard Data

Health Hazards: N/A

Routes of Entry: Inhalation, Skin, Ingestion, Eyes.

Carcinogenicity: Not listed by NTP, IARC, OSHA.

Eye Contact: May cause eye irritation. Effects may be delayed.

Skin Contact: Causes skin irritation on repeated contact.

Ingestion: May be harmful if swallowed in large amounts

Inhalation: Excessive breathing of spray mist may cause irritation of nose, throat and lungs.

Medical Conditions Generally Aggravated by exposure: None known.

Emergency and First Aid Procedures

In Case of Eye Contact: Immediately flush eyes with running water for 15 minutes. Obtain medical aid.

For Skin Contact: Wash with soap and water. Launder contaminated clothing before reuse.

If Swallowed: Do not induce vomiting, drink water in large amounts. Immediately call a physician.

Inhalation: Remove to fresh air. Call a physician.

Section 7 Precautions for Safe Handling & Use

Release or Spill: Contain the spill. Collect into suitable containers. Hold for disposal.

Waste Disposal Method: Dispose of in accordance with all existing local, state, and federal ordinances.

Precautions in Handling & Storage: Normal care in handling and storage. Keep from freezing. Keep out of reach of children.

Section 8 Control Measures

Respiratory Protection: None normally needed.

Ventilation: N/A

Protective Gloves: Rubber

Eye Protection: N/A

Other Protective Clothing or Equipment: As required.

Work/Hygienic Practices: Wash thoroughly after use.
